The Kansas Youth Leadership Forum (KYLF) took place on November 19-20 at Rock Springs Ranch. The theme for this year’s event was “Take Flight With Leadership”. Youth were able to participate in various workshops while also getting to listen to a keynote speaker on the first and last day while also having some fun. Three Flint Hills 4-Hers participated at KYLF this year. They were Cassidy Dalquest, Castyn Andres, and Josepha Inlow.

**District Club Days**

Our 2023 District Club Days has been scheduled on Saturday, **February 25** and will be hosted by Chase County. The event will be held at the Chase County High School, 600 Main St, Cottonwood Falls. We appreciate the school’s willingness to allow us to hold our event in their facility. Just a reminder that even years will be hosted in Morris County and odd years will be hosted in Chase County. An entry form has been included with this newsletter to allow clubs and families to begin planning for the day. We encourage families to take the time to complete your registration form and begin work on your entries. All entries will be due by **Friday February 10 by 5 pm** and will be accepted at either Extension Office or electronically. Just a reminder that members in each county will be placed separate, so a Chase County Top Blue and Morris County Top Blue can be eligible for entry at Regionals. Following the entry deadline, entries will be scheduled and participants will receive an update. **NOTE:** There have been a few age updates at the Regional level to match with the new state score sheets. These details are reflected on the 2023 Entry Form. Regional Club Days has been scheduled for **March 25** and will be held at Madison High School.

A Job Interview event was piloted at regionals in 2022 and has been added for District this year. It is a senior only event and top blue will qualify to compete at regionals. The full rules will be posted on the website when they are finalized.

2023 4-H Horse Project Changes

There will be some changes to the Horse Project this year. A full update was sent to all members that were enrolled in the horse project. Below are the updates on Horse ID’s, Level Testing, and Equine Safety.

Horse ownership: Each horse should be properly identified with the local Extension Office by June 1 of the current 4-H program year. Horses may be identified by a) completed Horse ID Certificate with all required signatures, or b) breed registration papers with horse ownership listed in the 4-H member’s or a family member’s name. “Family member” includes: immediate family: parent, stepparent, sibling, step-sibling, grandparent, or legal guardian. A copy of the 4-H Horse ID Certificate or the horse’s registration papers must be submitted to the Extension Office by June 1. 4-H’ers exhibiting registered horses must present a copy of the registration papers or the 4-H Horse ID Certificate at check-in to the State Fair. Level Testing: Beginning in 2023, the Kansas 4-H Horse Achievement Levels will no longer be required to participate at the State Fair 4-H Horse Show. Equine Webinar Series - Horse Safety: All 4-H Horse Project Members are encouraged to participate in the live session or watch the recording of the “4-H Equine Webinar: Horse Safety” episode and quiz. Members who wish to exhibit at the Kansas State Fair 4-H Horse Show are required to watch the session and complete the quiz prior to entering the State Fair 4-H Horse Show.

2023 4-H Camp at Rock Springs Ranch

Families should have a paper mailer from the State 4-H office with an update regarding camp next year. Sign up for 2023 camp will use the link: https://www.rockspringsranch4hcamp.org/. Early bird registration for 4-H families will open November 15, and this website will be the hub for all 4-H camp information. They are offering a tiered pricing model for families to select from. A 10% early bird 4-H discount will be offered and run through December 31. At the time of registration, campers will be required to make a 10% deposit, with the rest paid in full by May 1. They have developed multiple options for payment of camp fees this year including a monthly payment option with credit card or E-Check or pay in full by May 1st.

Camp options will be available for all 4-H members who will be going into 3rd-12th grade for the school year following the camp season. The menu of sessions will include 8 options to be offered June 4-July 14. Flint Hills District has targeted Session #2: June 7-10 for attendance. Agent(s) will plan to attend camp during these dates and encourage any Flint Hills District 4-H members to attend during this session. Follow up from Record Books

A big thank you to all of the volunteers who came in to evaluate record books. It is helpful as we evaluate books from another county and learn about ideas of dos and don’ts when completing books.

We plan to have a Record Keeping Workshop hybrid style on January 16th at 6 PM. Look for details soon.

A few quick tips to help when completing your record books:

*It does help if you intend to leave a section blank to put NA.

*When completing livestock form, list raised instead of leaving it blank. This helps the evaluator to better understand your project.

*If your project record has any gaps on explanation, use the reflection section to help the reader fill in the knowledge about your project.

*If you have not looked over the evaluation rubric, please take the time to do so. This helps give guidance for the level of completion on the document.

*In the expense & income section, be sure to capture everything that is involved in your project. If the supplies cost $20.19 but Mom paid for that, be sure to include that information. Be sure to include ribbon premium, supplies, gifts, etc.

*If you have information that is relevant for the project, be sure to include it in some way.

*Rate of Gain is only relevant for Market Animals. If you have breeding animals or animals that do not need rate of gain information, then use the other section to capture those feed costs.

Please review your evaluation forms and feedback. Let us know if you have any specific questions that you would like reviewed during the Workshop in January. We will discuss some of the challenges this year from accessing and using the documents.

Horse Panorama

The 2023 4-H Horse Panorama will be held Saturday, January 28th at the K-State Salina campus. Registration will open in early December and is due January 10, 2023 and will be completed through 4-H Online. **AGENTS TIP OF THE MONTH**

### Christmas Season!

4-H provides great ideas for Christmas gifts! You might consider thinking about supplies you need for future projects or what animal or livestock supplies you might need. These make great Christmas gifts that have you ready for the 4-H year! Families could consider giving the gift of attending an event as a gift. This could include 4-H camp or state 4-H events for older 4-Hers. These are great learning opportunities and could be a gift of experience during this Christmas season. www.shop4h.org offers all things 4-H available to purchase as another option if you are looking for apparel or accessories.

I wish you all a Merry Christmas and many blessings in the New Year!

---

**Why should you participate in District Club Days?**

You have the option to participate with set up, as a room monitor, participate on a team event, and even participate in individual events. This benefits you not only with your participation at the event, but allows an opportunity to share about individual projects, grow in public speaking skills, and strengthen par law skills with participation in model meeting and gavel games. All of this is beneficial when it comes time to complete your record book. Look beyond opportunities at the club level throughout the year to consider items on pin applications, county check sheets, and within individual project pages! District Club Days is one of the easiest ways to participate beyond the club level!!

---

**Please come to the New 4-H’er Event!**

There are a lot of parts and pieces to 4-H and we want to support new 4-H families in feeling connected with and knowledgeable about the local 4-H program. If you’re a new 4-H family, please come to our “Welcome to 4-H” event being held at 6:30 pm December 5th at the Morris County Fair Building. Even if you may not feel like a totally “new” 4-H family, you’re still welcome to come! I am hoping that this event will provide some helpful orientation for newcomers and help connect any parts of the 4-H process that might not make sense yet. The event will also be a good opportunity to ask any questions that you might have coming in or that might have arisen over the last year. We look forward to meeting with you soon!
4-H Council Meeting

The next Council Meeting is scheduled for January 23rd at 6:15 p.m. at the Community Building in Cottonwood Falls. We will be electing officers, so please make sure to attend!

The Chase County Achievement Banquet was held on November 13th. Josepha Inlow gave the welcome as the 2021-2022 4-H Council President. Congratulations to all the 4-Her’s on a great 4-H Year!
