It's Your Fair - Volunteer!

The 2018 Tri-County Free Fair is the 71st annual event hosted in Herington, KS. Take part as a volunteer, a spectator or an exhibitor. A fair, like any other community event, only works with lots of involvement by lots of people. The 2018 Tri-County Free Fair is your fair - be a part of it all.

Volunteers are needed for various aspects of the fair, including working in the food stand.

Call the fair office 785-258-3359 and offer to help make this year's fair a rousing success.

Beginning June 28rd, office hours will be 2:00 p.m. until 5:30 p.m.

Remember, the Fair Office is in the Activity Center at the fairgrounds, behind the Herington Historical Museum.

Tri-County Free Fair Mission Statement

To promote and showcase Dickinson, Marion and Morris Counties' agriculture, industry and culture. To create an opportunity for commercial activity and provide an educational and entertaining experience that is the pride of Dickinson, Marion and Morris Counties.

The Board of Directors is a volunteer group that does its best to provide a well organized show that is available for 4-H and FFA youth to exhibit, learn and develop through participation. We want you to have a good experience and enjoy yourself at the fair.

Anything we can do to provide more involvement and better experience for our young people will help develop the youth of Dickinson, Marion and Morris Counties to excel wherever they go and in whatever they do.

The organizers of the Tri-County Free Fair, Inc. invite you to attend Herington's biggest summer event. We hope the 71st annual fair will be enjoyable and rewarding for all those attending and participating.

The fair was founded on the high ideals and standards of the 4-H club program. All participants in the fair are reminded of these high standards and should conduct themselves appropriately. Participation in the fair is a privilege. This privilege can be denied to those who abuse it.

All those participating in and attending the fair should remember the importance of cooperation. Cooperation between competitors, supervisors and other entrants is vital to the fairs' success.

Parents of 4-H and FFA members are responsible for the supervision and conduct of their children. All youth 18 years and under are subject to the Herington curfew of midnight on weekdays and 12:30 a.m. on weekends. The fairgrounds are regularly patrolled by Security Guards as well as the Herington Police Department.

Residents of Dickinson, Marion and Morris Counties have the opportunity to exhibit at the fair in the open class division. You are encouraged to take part, just for the fun of it.

Absolutely no alcoholic or cereal malt beverages may be consumed or carried on the fairgrounds. Rules have been established by the City of Herington and will be enforced by local law enforcement personnel.

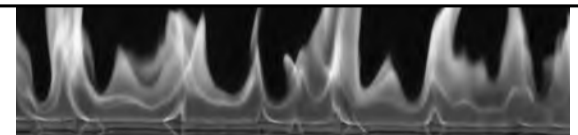

Limited security is provided for most exhibits by building sitters. The fairgrounds are regularly patrolled by representatives of the fair. However, fair management assumes no responsibility for accidents, illness, or damage or loss occurring during the fair. Items or animals are entered at the fair at the exhibitor's own risk.

The Tri-County Free Fair is presented in cooperation with the county extension services of Dickinson, Marion and Morris Counties.

Thank you to the county extension agents for all their assistance.
