Where: Stanley Stout Center, 2200 Denison Avenue, Manhattan

The Poultry Day events will include a presentation on “How to Manage Your New Pullets” at 11:30 am, followed by an omlet lunch at noon. After lunch, there will be presentation on “Health Care for Small Flocks” at 1:30 pm. Dr. Scott Beyer, KSU Extension Poultry Specialist, will be there to help with all your questions about keeping small poultry flocks. The events are open to all poultry-keeping enthusiasts. No purchase of pullets is required to attend the workshop. There are no charges for the Poultry Days presentations or lunch; however, reservations are required by using the online form at: https://www.asi.ksu.edu/pulletsale. Forms may be e-mailed to poultry@ksu.edu. Reservations may also be made by contacting Kevin Snell at 785-532-1281.

During Poultry Day, KSU students will also be holding their Annual Pullet Sale. Egg-type pullets raised by the students may be picked up from 9 am to 3 pm on June 29 at the same location. KSU students have raised these pullets for spring class projects and they will be ready-to-lay (16-17 weeks old) and fully vaccinated. Our brown birds are great yard birds, tame and friendly but will lay more brown shelled eggs. They are a hybrid type that will look similar to a New Hampshire Red. We also have a white feathered, white egg shell type hybrid, a bit smaller and less friendly, but will produce the most eggs possible on the least amount of feed. We will have a limited supply on a first-come, first-sold basis. A description of the bird types and prices can be found at https://www.asi.ksu.edu/pulletsale. All pullets must be pre-ordered. For questions about the pullet sale, e-mail poultry@ksu.edu or call the farm at 785-539-5041.

KJLS & KSF Livestock Nomination Information
All nomination info has been updated on the Kansas Youth Livestock Page.

May 1 – Market Beef nominations due (includes steers and market heifers)
June 15 – Commercial Heifer, Market Swine, Commercial gilt, Market Lamb, Commercial Ewe, and *ALL Meat Goat nominations due

*All meat goats that families would like to be eligible for the Kansas State Fair Grand Drive or KJLS must be nominated. This includes market meat goats, commercial does, and registered does, because neither show has a registered breeding doe show.

ONLY 2019 forms will be accepted This year’s forms continue to be form-fillable PDF files. So, families may complete the paperwork electronically and save their contact and animal information before printing the forms to be signed by all parties.

The Declaration (Housing) Form has been modified to include the age of each child within a family and instructions on attaching the YQCA certificates. Forms should also be read in their entirety before being signed by the appropriate parties. Reminder - if animals are not housed at the exhibitor’s primary residence, this must be disclosed on the Declaration Form and explained in Section 2.

A breeding doe show has been added to the Kansas State Fair Grand Drive. Any doe that will be shown must be nominated, similar to KJLS; there WILL NOT be a registered/papered show. ALL meat goats must have a complete nomination on file to be eligible for the market and/or doe
show at both state shows.

The "extra" nomination forms for swine and sheep have been reinstated. One for meat goats has also been added. Please keep in mind that this form is ONLY to be used in ADDITION to the regular swine, sheep, or meat goat form to nominate more animals than there is space (more than 4 swine or 5 sheep/meat goats). Therefore, if only the "extra" form is submitted, it will be returned to the family as incomplete and require payment of the $20 incomplete fee to correct it.

♦ Optional Additional Information on DNA Envelopes
Families are encouraged to include the breed and a secondary form of identification, depending on the species, in the lower right hand corner of the front of their DNA envelopes. This could include tattoo, ear notches, and scrapie tag #s. DNA envelopes are available in the Extension Office.

♦ Ear Notch and Scrapie Tag Requirement Continues
Continuing in 2018, the ear notches for all swine nominated must be included on the swine nomination form. Exhibitors need to draw the ear notches exactly as they appear in the pig’s ear for each animal nominated, in addition to writing the notch number in the field provided. Scrapie Tag #s are also required for all sheep and meat goats nominated. The full scrapie tag number, including Flock ID/Premise ID number and individual animal number, must be submitted.

Nomination does NOT constitute an entry. They must officially ENTER each show in which they would like to participate, after they have completed the nomination process. Grand Drive entries for the Kansas State Fair are due by July 15th and KJLS entries are due August 15th.

YQCA
Youth for the Quality Care of Animals (YQCA) is a new national, multi-species youth livestock quality assurance program. It is available as an online training to youth 8-21 years of age and focuses on food safety, animal well-being, and character development. Exhibitors who plan to participate in the 2019 Kansas State Fair Grand Drive and/or Kansas Junior Livestock Show (KJLS) will be required to have YQCA certification. This includes youth who will be showing market animals, commercial breeding females, and/or registered purebred breeding females. Your YQCA certificate must be submitted with nomination forms.

Consider Hosting for the Summer 2019 4-H Japan Inbound Exchange

Looking for some new fun and excitement this summer? Host a new friend from Japan in your home this summer, *July 23 – August 17*. Kansas 4-H International Exchange Programs are offering hosting opportunities to 27 families this summer. We are still in need of host families who would be willing to host a Japanese boy or girl; most are aged 12-14. We need to make host family assignments matching each delegate with an American same-gender host sibling as soon as possible so that families and exchange delegates can communicate and get to know each other.

Any Kansas family with children aged 10-16, who is interested in the Japanese culture, may host. A separate bed is required, but not necessarily a separate room from the host sibling. Delegates are 100 percent medically covered with 4-H insurance and bring their own spending money. They can go on host family vacations, camping trips, or join their host sibling for summer camps and the county fair. The focus is everyday family life. If you have further questions, please call Rose Scott, Kansas 4-H Japanese Exchange Coordinator, 785-388-2009 or 785-565-3197, or e-mail sixtykid2@gmail.com.

Fair Books and Fair T-Shirts
Fair Books and Fair T-shirts are done! They will be distributed to Club leaders for dispersal.
Please read all of the rules in the Fair Book carefully as you prepare for fair. If you have any questions, please ask so that they can be addressed as soon as possible.
Clubs should be sure to submit payment for the extra shirts they ordered. The Fair Book and Fair Schedule are posted on our website: https://www.flinthills.k-state.edu/4-h/morris-county/fair/

Fair Pre-entry and Entries
The pre-entry deadline has been set for July 3rd. We are using the Fair Entry online system this year and the system will **automatically close at midnight**. There is a complete list of directions in the Fair Book on this process. The system is set up to **begin accepting entries on June 1st**, also at midnight. Please do not wait until the last minute to try to log-in the first time. Shandi is working to put together a couple of videos to help in the enrollment process. Look for those soon!

Paper documents are due to the Extension Office by July 3rd at 5:00 PM for Clothing and Buymanship and the Morris County Born Beef forms.
Those planning to participate in the swine or beef carcass contest will also need to notify the Extension Office by the pre-entry deadline of July 3rd at 5:00 PM.

One of the advantages of using the Fair Entry online system is that you can also enter all other exhibits into the system in advance. All other exhibits (not requiring pre-entry) can be entered into the system between June 1 and July 25. If you choose to enter your other exhibits by July 25 at midnight your entry cards will be printed for you and you will NOT have to fill out green entry cards. If you choose not to enter the building exhibits into the Fair Entry system, there is no penalty - you will just need to fill out the green entry cards when you arrive.

Pre-entry for the **Open Class Horse Show** is encouraged, but not required.

If you have any questions, please be sure and ask.

Fair Survey
There will be a Fair survey for 4-H families to complete for the opportunity to give their feedback and suggestions for the fair. Look for the link that will be posted at the fair.

Fair Superintendents Meeting
There will be a Fair Superintendents meeting the night of clean-up, **Wednesday, July 24** at 5:30 pm. If you are a superintendent, please plan to attend.

---

**Snack Shack**
The snack shack times for fair have been adjusted based on feedback. Please be sure to check out the times on the schedule. Once again the shifts will be beginning 30 minutes before the snack shack is scheduled to open. Club assignments will be listed in the Fair book like normal. It is recommended that the snack shack have 6 people available to work for sales, any food prep that needs to happen, table cleaning, and trash and bathroom care. At least one adult from each club is asked to attend a Snack Shack meeting on **June 17 at 6 pm** (prior to 4-H Council meeting) to go over food safety, snack shack duties, and any concerns regarding snack shack.

**Check-in and Check-out**

- Entries will not be accepted on Wednesday night following clean-up and set-up.
- For building exhibits, please be sure to sign-up for judging times when you check your exhibit in **Friday, July 26 5:00-8:00 pm** - All livestock will be checked in and weighed.
- **Saturday, July 27 7:30-9:30 am** - The ONLY exhibits allowed to be checked in at this time are foods, horticulture and floriculture because they are perishable.
- Release of exhibits will be at 8:00 p.m. this year. If exhibits are taken early, the fair board reserves the right to withhold ALL premium money from the exhibitor. Premium money includes ribbon premium, livestock sale premium, and foods auction premium. If you see another individual leaving before the 8:00 pm time, do not assume that it was approved. Please let a fair board member or extension agent know!

**Premium Money and Auction fees**

- Ribbon premium amounts will be listed in the fair book to help with completion of records for record books.
- Money is held from checks of 4-H members participating in the premium auction to help with costs of the auction.
  - For livestock, this has been $10/animal and will continue at that rate.
  - New this year, there will be $5 withheld from each 4-H member participating in the 4-H Foods Auction.

**Thank You Notes**
The fair board works year round to gain sponsors of awards and trophies. Each year, Extension Agents and Fair Board are reminded how many thank you notes are not being sent. There will be a 'Thank You Note' booth at the fair to help 4-H’er's get their thank you notes sent! If you have questions, please be sure to ask. The complete Thank You Note policies have been included in the Fair Book.

**Livestock**

- The **Morris County Born nomination forms** have been updated this year. These will be submitted in paper form to the Extension office.
- **Swine**: There will not be a base bid for hogs again this year. If 4-He/r's know that they will have hogs for sale, please let the Extension office know so when community members call, we will know who to direct them to.

**Tip of the Month**

**Goals of the County Fair**

Participation in our county fair is an opportunity and privilege for 4-H members. If they choose to participate, they are asking for an adult to give his or her opinion regarding the quality or their exhibit or participation. Having asked for this opinion, they should accept it gracefully and learn from it. County fairs provide opportunities for 4-Hers to:

- Show what they’ve learned and accomplished in 4-H to the public
- Develop project skills
- Develop responsibility and self-confidence
- Gain knowledge, counsel and encouragement from judges and others
- Develop leadership skills by assuming fair responsibilities and work together with others
- Learn new and better methods
- Compare their work with a ‘standard’ and with other 4-Hers
- Receive recognition and learn the importance of being both a good winner and a good loser
- Share ideas and make friends with other 4-H members
